Welcome to the Village

Our first TOS meeting for the year was a brain storming session. We explored ways to raise money and which organizations we wish to support.

We decide to continue supporting our core projects. These are:

- * The Pakistan Home School
- * The Golden Links College in the Philippines
- * Kiva Micro Loans, and
- * Medecins Sans Frontieres (Doctors without Borders)

We agreed to research the following projects:

- * An Aboriginal Initiative focusing on education
- * A donation to the Fred Hollows foundation
- * Support a Domestic Violence Project
- * Supporting a Western Australian Wild life organisation . In particular, an organisation that cares for wild life caught up in our local bush fires.

We will review our research at the March meeting and vote on which projects we will support.

I hope to see you at our movie on the Sunday in the middle of the long weekend. Don't forget to join us for coffee at the Dome across the road. Your gold coin donation will be well used in supporting one of our projects above.

Best wishes

TOS Chairperson

The Meeting Place

26 April 2016 - A TOS fundraising evening

One in six people will have a stroke in their lifetime

In Australia, someone has a stroke every 10 minutes. This presentation will arm you with ways you can prevent stroke, and how to recognise the signs of stroke. The talk will be conducted by a professionally trained volunteer Strokesafe Ambassador and will cover:

- * What stroke is
- * The effects of stroke
- * How to prevent a stroke
- * How to recognise the signs of stroke
- * What to do if someone is having a stroke

Many of the National Stroke Foundation Ambassadors have survived a stroke themselves or cared for someone who has. Others have worked in the field of stroke. All of them are passionate about raising awareness of stroke and reducing the impact of stroke on the community.

The TOS will host their delicious \$8 supper prior to the talk. The Supper commences at 6:30 pm, followed by the meeting at 7:30 pm. Check out the raffle basket and other fund raising items for sale.

TOS Treasurer

"Thank you to Judy Burrows"

Judy has stepped down as the Treasurer. We thank her for her help at a time when we desperately needed someone to fill the position of Treasurer. Apart from serving as the Treasurer, she was a power house that guided and coordinated the RUAH back pack project. I extend our sincere thanks to Judy.

If you are able to step up and fill the Treasurer vacancy, please see me or email me. Your help will be most welcome.

If you can use an excel spreadsheet, you will be able to help. Either Anne Bower or I will be able to show you the ropes.

The Special Person You Were Meant to Be

If you can value truth above approval, and friendship over power, wealth and fame.

If you can share your gifts and talents wisely, leaving someone better off than when you came.

If you find happiness in simple pleasures, and see the rainbow, not the falling rain.

If you have faith to keep right on believing in miracles that no one can explain.

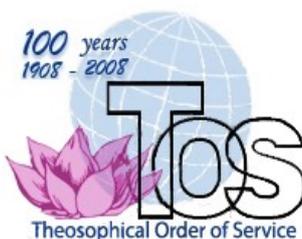

If you live every day to your potential, and find the good in everything you see,

Then you'll be not just happy and successful, but the Person only you were meant to be.

The Link of Hearts Healing Meditation

Anne Bower is coordinating a team of Meditators who will provide long distance healing to people on our TOS healing list. The person's name will remain on the list for one month and during that time the team will regularly send healing energy.
