## Welcome to the Village

Recently, two different members of the TOS contacted me and asked that the TOS make a donation to issues that are causing concern.

Gailene asked that we respond to MSF (Doctors with out Borders) call for donations to fight the Cholera outbreak in Yemen. Yemen is a failed state in crisis and is called "Hell on Earth". It has a population of 25 million people trapped in anarchy. Innocent men, women and children are dying of Cholera. Brave MSF medicos are providing medical services.

Glenys asked that we consider a donation to help stop the cruelty to dogs in Bali. This information has been on our TV news and the internet.

Shortly our members will be emailed to vote on donating to these two causes.

On a happier note, we have another Sunday afternoon movie scheduled for 6 August 17. "The Big Sick" is a comedy and is well reviewed. The flyer is attached to this email.

Also, there are a number of travel opportunities for our TS and TOS members.

The TOS philosophy is to care for others and ourselves. As we build a caring community and vision, we increase our ability to act with compassion towards all others.

### Best wishes
