Welcome to the Village

Another busy year stretches out in front of us. The TOS first fund raising effort will be providing the lunches at the Easter Retreat. Once again, we will produce our great vegetarian buffet. If you are able to help by donating a dish or diving into the washing up, please contact Gailene, our events co-ordinator, by email on gaile-nefran@gmail.com

One of our focuses this year will be caring for the planet, our home! We have decided not to use plastic plates at our events. Instead we will use china and wash up afterwards. It will mean a little more work, but it is a small step towards respecting our world.

Our second event for the year is also in April. This event is our Tuesday night supper and talk. Our presenter is Bradley Holland, who is Red Ranger. He has been working with endangered Australian Wildlife since 1992.

Bradley's passion is saving our wildlife and he presents informative, educational talks to the community. He has grand visions, some of which he has already implemented. During the last 4 years, he has been working with wayward youth, refugees from the Northam detention centre and indigenous youth. He is encouraged by the response of the Department of Corrective Services which recognises that youth who participate on his courses develop compassion, responsibility and self respect by caring for the animals.

♥ Best wishes

Carol Ann's Corner

By Mother Teresa

I have found the paradox that if I Love until it hurts, then there is No hurt, but only more love

By Randolph Ray

Kindness is life's blood ,the elixir.
Kindness makes the difference between
passion and caring .
Kindness is tenderness.
Kindness is love, but perhaps greater than
love
Kindness is good will.
Kindness says " I want to be happy"
Kindness comes very close to the benevolence
of God
