## Welcome to the Village

This month we have the TOS Yoga Day at Mt Helena. Our presenters are Gailene Wester and Bheena Sewnarin. Some of you may know Gailene through her Friday TS yoga class. There is a flyer at the end of this newsletter with more details. If you are interested in attending, please register at the TS Library on 9328 8104.

Many people have been asking for another Sunday Movie. I have been searching, but unfortunately, the choices have been woeful. Hurrah! I have found a movie and the topic continues with the Yoga theme. Details will follow closer to the date. At this stage, the cinema has not decided the session times.

The Ranger Red talk by Bradley Holland was well attended. Bradley brought an inspiring and lively energy to the evening and really engaged the audience with his wonderful Australian animals and stories.

Bradley is launching a children's book on 14 Jun 15. An invitation is attached, but you MUST RSVP, if you wish to attend.

All the creatures were calm and unafraid. Frank, the tawny frogmouth owl was my favourite. I gently stroked the feathers on his back and he slowly turned his head and looked me in the eye. I peered into his amazingly, big, soulful eyes and I felt I looked into his spirit. What are we doing that we endanger our own rare and special wildlife by destroying habitat?

I am sure that future generations will look back at us and wonder why we let humans over run the world and did not leave enough habitat for all the other creatures. We need to learn to share and care.

### ♥ Best wishes

**Edward Rowland Sill**  
American poet 1841-1887

Tis not in seeking,  
Tis not in endless striving,  
Thy quest is found.  
Be still and drink the silence  
Of all around,  
Not for crying,  
Not for loud beseeching  
Will peace draw near,  
Rest with palms folded;  
Rest with thine eyelids fallen-  
Lo, peace is here

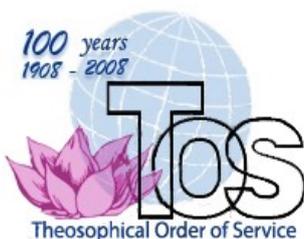

Arthur Schopenhauer.  
German philosopher 1788-1860

Genuine tranquillity of the heart  
and perfect peace of mind,  
The highest blessings on earth after  
health,  
Are to be found only in solitude and,  
as a permanent disposition,  
Only in the deepest seclusion .
