- the environment
- emergency relief

### Would you like to join us in our work?

The TOS offers a framework in which:

- Individuals may work along self-selected lines of service for the uplifting of humanity and the protection of the planet;
- The practical application of Theosophical principles to issues of contemporary concern;
- Social action as spiritual practice is honoured and nurtured.

The Theosophical Society, with its emphasis on complete freedom of thought for every member, officially maintains neutrality in controversial political and social issues. The Theosophical Order of Service, on the other hand, acts as a forum where members may air their views and take stands on affairs of public interest.

The TOS currently has branches in 30 countries and is spread around the World.

Members diligently work to make a difference in their country. Our work is most often at grass roots level and meeting needs great and small.

Examples are the large Philippines TOS runs the Golden Links College and smaller TOS groups hold gatherings meditating for World Peace.

## Welcome to the Village

**\$19,690.64** is the amazing amount that the Perth TOS has donated to worthy causes over the last 5 years. The hard working and generous TOS committee; along with TOS members and the support of the wider TS community has raised this money. It is easy to become focussed on catering for the next supper or organising the next movie day and lose the big picture of how much money we have raised and the difference the money makes.

The TOS AGM is drawing near on 17 September 2017. It is a time when we review our past activities and create the direction for the future. We develop the framework that we will follow for the coming year.

All positions are declared vacant and we elect office bearers for the new year commencing September 2017. You are invited to participate. There are nomination and proxy voting forms attached to this newsletter.

The TOS functions successfully because of the efforts of our volunteers. We know we are making a difference and this is satisfying knowledge. It is easy to become melancholy over the state of the world; but when we take action the burden eases. We move from powerless victims to powerful, compassionate individuals willing to make a difference.

You are welcome to join our friendly committee or help out at our events. All assistance is gratefully accepted.

### Best wishes
